10 best history books. From Mary Beard on Ancient Rome to tales of Soviet espionage, delve into the past with these recently published works. Joshua Burt. The popular historian made a TV show of the same name, which has essentially been adapted into this punchy, concise read, which offers an account of the political happenings that changed the course of history in 1215. The question is: were they as successful as everyone would have us believe? Not so much.

A brief history of eBooks. May 17, 2010 By Michael Kozlowski 7 Comments. When you used to think of an ebook, you envisioned an eBook as an electronic version of a printed book available to view on a PC, Smart-Phone, E-Reader and other platforms. While that still remains true, you have a new breed of writers that are exclusively writing ebooks instead of tradition print media. For one big reason they do this, is writing an ebook costs nothing but time, and any copy of the book you sell you get a small profit, others choose to give the books away for free for promotion of a business or service.
