CLASSROOM NEWS
اذ: 
Let’s learn about Opposites; things
that are big and small, tall and short
and everything else in between! We
will love using our Five Senses when
playing outside! Look out for our scary
art projects! Halloween is here and we
will love making pumpkins, ghosts and
bat creations!

اذ: 
We are so excited to learn about Nocturnal Animals. We will read a book all about the animals that come out at night!
In our second week of the month, we will talk about our day and night Opposites. Halloween is here! Don’t forget to
pack costumes and come to our Halloween Parade on the 31st at 3pm sharp! We will have so much fun marching
around the school in our costumes! We would love for everyone to come and watch us!

اذ: 
In Pre K we will be working on our writing skills. We will practice tracing letters D, E and F, as well as some numbers.
We will also be discussing Health, Safety and Nutrition this month. It is important to practice staying safe at home and
in school! Ask us what we learn about staying safe! Our class will also be participating in the Halloween parade! Pack our costumes and come see us march around the school on the 31st at 3pm sharp!

🎉JR K:
This month we have so many topics to talk about! We will start by talking about Fire Safety. Then we will talk about pumpkins, farm life, and Halloween! Learning manners is so important. Our manner we will focus on this month is: raising our hand. We will work on letters H, X, A, V, and W. We will sound them out, write them and come up with words that start with these letters. Also, check out our rock art projects in the planter box by the office! We can’t forget Halloween! We will be carving pumpkins this month and marching around the school in our costumes on the 31st! Parade starts at 3pm sharp, don’t miss the fun!

🎃Kinder:
This month is all about Fire Safety! We will be talking about the best ways to stay safe during a fire at home and in school. Please reinforce this at home by asking your child questions about Fire Safety! We will also be talking about Columbus and Halloween, as well as what it means to be a good friend. The letters we will be focusing on are A, D, and S. We will be writing these letters and coming up with words that begin with these letters. Our rocks that we painted in September will be on display in the planter box by the front office. Please take a look when you pass by. We will be working long and hard on our Halloween art projects to decorate the class!
