Title: River Boy: The Story of Mark Twain  
Author: William Anderson  
Illustrator: Dan Andreasen  
Publisher: HarperCollins, 2003  
Pages: 40

Summary

"Ste-e-eeamboat's a-comin'!" Along the banks of the great Mississippi River, a young boy named Samuel Clemens raced to the docks whenever he heard that familiar cry. He dreamed of exploring the world beyond his river town. Little did he know that one day he would become the famous writer Mark Twain and write about his boyhood adventures along the bustling river waterfront in the classic stories *The Adventures of Huckleberry Finn* and *The Adventures of Tom Sawyer*. Sam's exploits took him from the printing presses of the Hannibal Courier to the decks of the steamboats that travel the mighty Mississippi, and even to the Wild West. Noted historian William Anderson tells the colorful story of Sam's life as he grew from a mischievous boy into the enterprising author. Dan Andreasen's fresh, vibrant paintings capture the spirit of the storyteller who will live on forever as one of America's literary icons. This picture biography is a very appealing introduction to Sam Clemens' life. It shows how influential the Mississippi River was and makes clear connections between Sam's life and his writing.

Awards and “Best Book” Lists

Notable Children’s Trade Book in the Field of Social Studies (NCSS/CBC)  
IRA/CBC Teacher’s Choice, 2004

Author's Biography

William Anderson has written many books of history, biography, and travel. As a teacher, he has often taught the books of Mark Twain, and he visited Twain's home sites while researching this book. Mr. Anderson lives and writes in Michigan.
Illustrator’s Biography

Dan Andreasen has illustrated more than fifty picture books and novels. He lives with his wife, Sharon, and their two children, Emily and Bret, in Orlando, Florida.

Other Books Written by William Anderson

Pioneer Girl: The Story of Laura Ingalls Wilder
Laura Ingalls Wilder: A Biography
The World of the Trapp Family
World of the Louisa May Alcott

Other Books Illustrated by Dan Andreasen

The American Girl Series by Valerie Tripp
By the Dawn’s Early Light by Steven Kroll
Eagle Song by Joseph Bruchac
The New Little House Series by Marie Wilkes

Classroom Connections

- Have students trace Samuel Clemens’ travels throughout his life on a map of the world.

- Have students research and list other important events that have occurred on dates when Halley’s Comet appeared (Sam Clemens’ birthday).

- When Sam wanted to go to South America, a fifty-dollar bill blew in his face. Have students write a story telling what they would do if the wind blew a fifty-dollar bill in their face.

- Teach the students about currency inflation. Have students research the costs of common items in Mark Twain’s day and today. How much would that $50 be worth today?

- The book mentions that Twain “knew how important libraries were for children, so he gave one to the town.” Have students search the Internet
and find the library’s website. Mark Twain Public Library in Redding Connecticut: http://www.marktwainlibrary.org/homeport/homeport_frm.html

- Compare this picture biography with the other biography on the LYRC Ballot this year: Sacagawea by Lise Erdrich. Illustrated by Julie Buffalohead. Lerner, 2003.

- Introduce the students to other picture biographies such as:

The ideas on this site are intended for upper grades, but some may be adapted.

PBS – Mark Twain and the American West
http://www.pbs.org/weta/thewest/lesson_plans/lesson02.htm
Site says lessons are for grades 8-12, but some of the activities could be incorporated and simplified for younger children (ex: why some authors chose to write under different names).
Mark Twain, American humorist (comic writer) and novelist, captured a world audience with stories of boyhood adventure and with commentary on man's faults that is humorous even while it probes, often bitterly, the roots of human behavior. Childhood along the Mississippi. Mark Twain was born Samuel Langhorne Clemens on November 30, 1835, in the frontier village of Florida, Missouri. He spent his boyhood in nearby Hannibal, on the banks of the Mississippi River, observing its busy life, fascinated by its romance, but chilled by the violence and bloodshed it bred. Clemens was eleven years old. Along the banks of the great Mississippi River, a young boy named Samuel Clemens raced to the docks whenever he heard that familiar cry. He dreamed of exploring the world beyond his river town.
